The 2024 Board Leadership Summit will be facilitate by Mitch Majeski, Senior Consultant at Peak Solutions.

To his work with a range of clients, Mitch brings wisdom wrought from 18 years of visionary leadership in a large church. A broker of several unlikely, philanthropic partnerships, he knows the challenge and the beauty of uniting diverse perspectives around a common focus, and he is skilled at preparing wise, confident leaders for that task. An expert story-teller, Mitch is valued for his ability to inspire and mobilize people.

He has served on a variety of boards including the Governor's Clergy Council, the Colorado State Stadium Advisory Group, and the Coloradoan Newspaper.

While energized by these things, Mitch's greatest joy is going on adventures with his wife and four children.
